UK200Group brings together around 150 member offices in the UK with more than 500 partners who serve 150,000 business clients. Our international links in nearly 70 countries, give our members access to expertise across the globe.

We help members to build better together – providing them with a range of resources that helps them to help their clients.

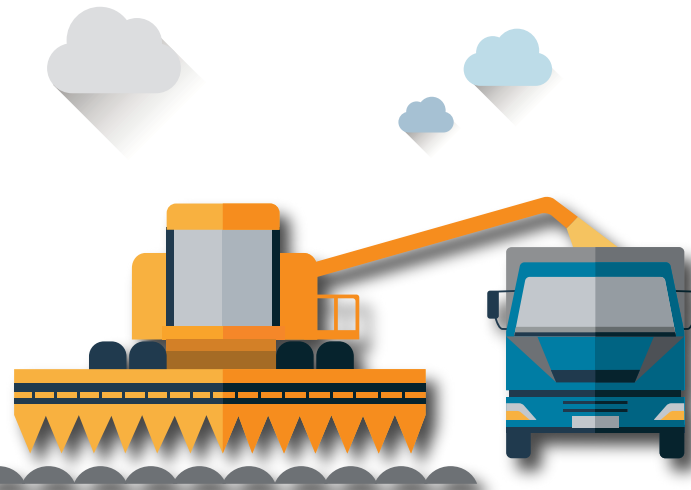

**Helping to build better together**

## Our services

Survival in today's economic climate means that every agricultural enterprise whether small or large must be run as a business. Efficient financial control has never been more essential. Chartered Accountants who understand the agricultural sector can advise on the profitable uses of land, on investment or diversification, on complex taxes, preparing budgets and dealing with Banks and Financial Institutions. Members of the UK200Agriculture Group offer substantial experience and specialist knowledge of these and related sector issues.
