THE PLAYERS

Nick Forsyth - Lambert Chapman

Nick Forsyth is Managing Partner at Lambert Chapman having been with the Firm since 1990. He is a lover of most sports and has been playing golf since 2006. He is a member at Stoke by Nayland and can be seen in the rough searching for balls most weekends - mostly his own! Within the Firm he organises most marketing initiatives particularly in the area of charitable fundraising.

Tracey Dickens - Birkett Long

Tracey Dickens heads up the Business Team at Birkett Long having joined the firm in 2001. Tracey has been hooked on golf since taking up the sport in 2005. She is also a member at Stoke by Nayland and continually wonders why, when she leaves so many golf balls out on the course, that any ball she finds is never hers!
