TERMS OF BUSINESS - Value Added Tax (VAT)

Last revised 11 October 2021

The purpose of this schedule and the Standard Terms of Business is to set out the basis on which we are to act as accountants and advisors with regard to Value Added Tax and to clarify our respective responsibilities in respect of that work.

We are bound by the ethical guidelines of The Institute of Chartered Accountants in England & Wales and accept instructions to act for you on the basis that we will act in accordance with those ethical guidelines.

1 Your responsibilities

1.1 You are legally responsible for:

- (a) ensuring that your returns are correct and complete;
- (b) if you are subject to the requirements of Making Tax Digital for VAT (MTD) that digital VAT records are kept in functional compatible software as required by HM Revenue & Customs (HMRC);
- (c) filing any returns by the due date; and
- (d) paying tax on time.

Failure to do this may lead to penalties, interest and default surcharges.

If you have an exemption from MTD or online filing and submit a paper VAT return, although it is possible under the VAT rules for you to delegate signing the return to us, it is our policy not to accept such a delegation.

1.2 You are entirely responsible for paying any VAT, including interest, surcharges or other penalties or default surcharges. Where your return is submitted via MTD software or submitted online you must make payment by electronic means. We will advise you of the amounts due for payment and the due date; however, it is your responsibility to arrange and make the payment. Please note that penalties, interest and default surcharges may apply where payments are not made by the due date.

1.3 Where we keep your digital records for MTD you are responsible for providing us with the following information required for us to prepare the return:

- (a) sales invoice;
- (b) purchase invoices;
- (c) bank statements;
- (d) details of bank and cash receipts and payments;
- (e) stock and work-in-progress details;
- (f) access to your accounting records; and
- (g) any other information as agreed separately in writing.

1.4 To enable us to carry out our work you agree:

- (a) that all returns are to be made on the basis of full disclosure;
- (b) that you are responsible for ensuring that the information provided is, to the best of your knowledge, accurate and complete. The VAT returns are prepared/reviewed solely on the basis of the information provided by you and we accept no responsibility for any VAT liabilities arising due to inaccuracies or omissions in the information you provide which may lead to a misdeclaration on which penalties and interest may arise;
- (c) If you require us to upload your VAT return calculations in accordance with the MTD requirements, you must provide us with digital records, in a format which is compliant with the law and our systems, together with confirmation that your digital records are complete and accurate. If your software is incompatible with ours, we will agree with you an appropriate solution, and an additional fee may be required,
- (d) that we can approach such third parties as may be appropriate for information we consider necessary to deal with the VAT returns;
- (e) to provide us with all the records relevant to the preparation of your VAT returns as soon as possible after the return period ends. We would ordinarily need a minimum of 14 days before submission to complete our work. If the records are provided later or are incomplete or unclear thereby delaying the preparation/review and submission of the VAT return, we accept no

- (f) responsibility for any default surcharge that may arise. Where feasible we may agree to complete your return within a shorter period but may charge an additional fee for so doing; and to check that returns that we have prepared for you are complete before approving them.

- 1.5 You will keep us informed of material changes in circumstances that could affect the tax liabilities of the entity. If you are unsure whether the change is material please let us know so that we can assess the significance or otherwise.
- 1.6 You will need to authorise us as an agent on the HMRC portal using your Business Tax Account (if we are not already authorised) This is completed online and you will need your Government Gateway ID. This authorises HMRC to communicate with us as your agent, although they consider that you should still take 'reasonable care' over your tax affairs.
- 1.7 You will forward to us all relevant HMRC VAT correspondence in time to enable us to deal with matters arising as may be necessary within the statutory time limits. Although HMRC have the authority to communicate with us, it is essential that you let us have copies of any correspondence received from HMRC to avoid any breakdown in communication.
- 1.8 You are responsible for bringing to our attention any errors, omissions or inaccuracies in your VAT returns which you become aware of after the returns have been submitted in order that we may assist you to make a voluntary disclosure.
- 1.9 If you are involved with any other business which is not registered for VAT you are responsible for monitoring your turnover to establish whether you are liable to register for VAT. If you exceed a VAT registration threshold, and wish us to assist you in notifying HMRC of the requirement to be VAT registered, you must give us clear instructions to assist you in the VAT registration process. You should notify us of your instructions in good time to enable the VAT registration application form to be submitted within the statutory time limit. We will not be responsible if you fail to notify us in time and incur a late registration penalty as a result.
- 1.10 If you provide goods to customers in the EU you may be responsible for registering for VAT in that member state, accounting for import taxes in that member state (including, if applicable, via the import One Stop Shop), registering for the Union OSS, or registering for the non-Union OSS.
- 1.11 If you provide relevant services to customers in the EU you may be responsible for registering for the non-Union OSS (or until 30 June 2021 the non-Union Mini One Stop Shop).
- 1.12 If relevant, we will ensure that all reliefs and exemptions available to the charity are claimed and notified to you.

2 Our responsibilities as accountants

- 2.1 If you are not yet registered, we will register you for MTD for VAT. By instructing us to sign up on your behalf you are agreeing to HMRC's terms of participation. This may result in certain changes that may include changes to deadlines. You will need to complete HMRC's sign-up process to enable submission of your tax return.
- 2.2 Where we undertake the bookkeeping we will initially keep all accounting records to meet the digital record keeping requirements of MTD for VAT before returning to you for safe keeping. You must ensure that the data provided to us is complete and accurate.
- Where you are keeping the digital records required for MTD we will not check these for completeness and accuracy.
- 2.3 We will advise you of any relaxations applicable in relation to the digital records for supplies made and received.
- 2.4 We will prepare/review your UK VAT returns/Intrastat returns/Union OSS returns, where applicable, on the basis of the documents, information and explanations supplied by you.
- 2.5 We will tell you how much you should pay and when. If appropriate we will initiate repayment claims where tax has been overpaid. We will advise on the interest, penalty and default surcharge implications if UK VAT is paid late.
